Buy Or Sell Your Coins On [www.CoinBay.biz](#). FREE REGISTRATION!

Current mood: 😊 happy

Category: [Blogging](#)

Hi there:

My name is Bob Martino and I would like to thank you for your time. I must say that I have never been on myspace.com before today. I thought I would check it out and put something together.

Anyway, I thought that by adding [www.CoinBay.biz](#) to myspace.com, that it would help get the word out quicker! **Please tell your friends about our new coin auction!**

About [www.CoinBay.biz](#). I have always been a coin collector and thought that eBay needed some competition. Their rates are astonishing to say the least. They charge you for the listing, a commission on each item when sold and then get you one more time with the percentage they get from each Papal transaction. By the way. eBay owns Paypal!

There was no other coin site on the

planet that lets people buy and sell like eBy does. Now we have www.coinbay.biz!

I designed www.CoinBay.biz to do everything that eBay does without the big expense. www.CoinBay.biz offers **FREE** registration (**NO Credit Card Required**), Free Coin Listings! **NO Commissions** on any coins you sell for **6 MONTHS**!

Show me another site that offers this much and will give you a **FREE** www.CoinBay.biz Membership For Life!!! Plus No Commissions On Coins you sell for life for life!

Please sign up for your **FREE** membership now!

I look forward to speaking with you all!

Thanks,

Bob Martino
